

## Death Valley, CA

January 21-23, 2023

### Adventure Details - Room for 6 guests

- **January 21** - Depart from [Los Angeles](#) at 7:00 a.m. Plenty of street parking is available, or you can request a pick-up. Drive 4:30 hours to Furnace Creek Campground. Set up camp, enjoy lunch and head to Zabriskie Point or Mesquite Flat for the Sunset. [Check out the campground here.](#)
- **October 29** - Check out Badwater Basin, Mosaic Canyon Trail, Artists Pallet. Whatever the group decides! [Check out the park guide here.](#)
- **October 30** - Hike Telescope Peak, or visit other top sights! Plan to head back toward LA around 2p.
- Contact: [Cassie](#) for any questions.

### Activity Level

You should feel comfortable hiking 5-8 miles in a day with elevation gains/losses of 1000 feet, carrying a backpack that weighs about 10-20 pounds. Any level of rock climbing experience is fine - beginners welcome!

Fun Fact! Death Valley is about 100 miles from Mt. Whitney. The lowest & highest points in the continental US.

# Gear List

Don't let this long list deter you from adventuring with us! If you can't, or don't want to buy gear, just let us know. We will work with you to provide any other necessary gear.
